Dear Charles,

I want to personally thank you for the wonderful help you have provided my wife, our son, daughter, and me. All of us have been able to improve our level of health through our work with you.

I've reached my weight loss goal and feel empowered to maintain my weight with the plan you've provided. You've helped my wife and daughter both develop plans to reach their goals. More importantly, through your assistance, my son, who was once dependent on diabetic medication, has been able to eliminate ALL of his prescriptions after working with you... much to his doctor's delight (and his parents' relief!).

Thank you for your persistence and sincerity in helping us – and so many others – make our dreams a reality.

I truly appreciate the outstanding level of service you have provided my family and me. I wish you continued success in all that you do.

Thank you, again, Charles. I wholeheartedly recommend you to all of my friends and colleagues who need to take back control of their habits.

Warmly,

David L. Steward Sr.
